ROUND 8 Mixed Indoor Soccer Wrap Up

The Goats v Bobbies

The Goats got off to a shaky start, conceding several early goals from the quick and determined Bobbies team. This had The Goats fired up, Luke Hanlon taking matters into his own hands, scoring several goals in quick succession with his raw pace and ruthless shooting ability, to bring the teams back to a tie in the 2nd half. Bobbies were not done yet, as the attacking prowess of Nick Shugg, which had been ever-present the entire game, continued to link up play and score goals, a dangerous combination, which didn't give the opposition a moment to relax. The crowd loved this game as there was goals galore, the final score resting at 15-10 in favour of The Goats.

Pacifico v Coco Pop Killers

Pacifico geared up for a big game against 2nd place Coco Pop Killers, who seemed were not as equally prepared, with a man down they had to call on Nick Shugg from the Bobbies to help bolster their squad. In the end, the score line not really reflecting the game, as the persistence and effort from the Coco Pop Killers only rewarded them with two goals. However, the boys from Pacifico will be happy with the tenacity their team showed as they kept pushing for more, the final score as the siren sounded, 11-2 in favour of Pacifico.

MT Mullets v Goal Diggers

This was a cracking game to watch, Goal Diggers seemed to be ahead of MT Mullets as the ladder showed, however this game highlighted just how good the competition can be, both teams really digging in and going hard, while still having a laugh. There was also a great family rivalry, as Ben Arndell lead the MT Mullets with his strong tackles and commanding playstyle, funnily enough, the man with a stunner of a mullet, Josh Arndell was with the Goal Diggers. The score settling at 7-4 in favour of Goal Diggers.
